## WHAT

This year Boys and Girls Clubs of Winnipeg is teaming up with Kaur Meets World to expand our event to include the Lion's Run. We will still have the more challenging Race for Kids, but we have added something for the whole family.

**Race for Kids** is an urban adventure race where teams of four compete in a race to the finish line, completing a series of 10 challenging Checkpoints along the way & an optional Mystery Checkpoint. Challenges are designed to challenge the mind and body, relive the best times of your childhood and build team spirit. The Challenges and Checkpoint locations are a secret until you arrive on Race Day.

**New This Year! Lion's Run** is a smaller scale version of the **Race for Kids** for families, toddlers, children and teens. The race will include four Checkpoints and will be completed in various waves.

Prizes will be awarded to Race for Kids Teams who come in 1st, 2nd and 3rd place; as well, WestJet will award the top Race for Kids fundraiser one roundtrip flight for two guests, to any regularly scheduled WestJet destination!
